We have examined the books and records of the Life Insurance Company of Virginia for the year ending December 31, 1908, and have verified therefrom the above Statement of Assets and Liabilities at the close of business at the Home Office as of that date.

We have examined and verified the Bonds and Mortgages, Railroad, State, Municipal and other Bonds, Stocks and all other Investments owned by the Company or held as collateral, and have proved that the Bonds and Stocks are valued at market prices on December 31, 1908, and that the Loans on Collateral are fully secured. We have also counted the Cash on Hand, and have verified the balances deposited with Banks.

We have tested the clerical accuracy of the Reserve on Policies in force, as certified by the Actuary of the Company, and have satisfied ourselves that all other Liabilities are duly provided for, and we certify that, in our opinion, the above Statement of Assets and Liabilities correctly sets forth the true financial condition of the Company on December 31, 1908.
